

Helen Thayer

∞ AUTHOR OF "POLAR DREAM" ∞

In 1988, at the age of 50, Helen Thayer became the first woman in the world to travel on foot to the magnetic North Pole, one of the world's most remote and dangerous regions. Her only companion was Charlie, her loyal husky, who was integral to her survival. *Polar Dream* is the story of their heroic trek and extraordinary relationship as they faced polar bears, unimaginable cold and a storm that destroyed most of their supplies and food.
